Dear Applicant:

Thank you for your inquiry regarding the Vitreoretinal Fellowship at UCLA's Department of Ophthalmology and Jules Stein Eye Institute. The Vitreoretinal Fellowship is a two-year medical and surgical training program that commences in July of each year.

San Francisco Match, a residency and fellowship matching program, is the central application service for the UCLA Vitreoretinal Fellowship at the Jules Stein Eye Institute. The application form, application deadline, list of required materials, interview date and contact information may be downloaded from the San Francisco Match website at [www.sfmatch.org](http://www.sfmatch.org). The UCLA/Jules Stein Eye Institute Vitreoretinal Fellowship Program Number is 4299.

In addition to the San Francisco Match application, please submit the following information to Ms. Cary Ewing, Fellowship Coordinator, Jules Stein Eye Institute, 100 Stein Plaza UCLA, Los Angeles, CA 90095:

Curriculum Vitae and Bibliography  
Personal Photograph for Identification  
United States Medical License Examination (USMLE) Scores

Vitreoretinal Fellows at the Jules Stein Eye Institute are also required to have or apply for a California Medical License and Federal Drug Enforcement Administration (DEA) number.

Your interest the Vitreoretinal Fellowship at the Jules Stein Eye Institute is greatly appreciated.

Sincerely yours,

Allan E. Kreiger, M.D.  
Professor of Ophthalmology  
Chair, Vitreoretinal Fellowship Selection Committee  
Department of Ophthalmology and Jules Stein Eye Institute  
David Geffen School of Medicine at UCLA
